RE: United States v. Russell Watson
Dkt. No.: 23-cr-237 (JLR)

Dear Judge Rochon:

I previously represented Russell Watson in the above-referenced matter. Yesterday, I received notice of alleged violations of supervised release by Mr. Watson. This morning, the Court set a status conference for July 17, 2025. Unfortunately, I will be away that date and will be returning on the evening of July 18th. I also start a trial on July 28, 2025, before the Honorable Paul A. Engelmayer, U.S.D.J., and will have limited availability next week.

Accordingly, I ask that the July 17th status conference be moved to a convenient date for all parties. I have no objection, however, if the Court prefers to move forward on that date and appoint the CJA duty attorney to represent Mr. Watson on his violations.

Your Honor's consideration in this matter is greatly appreciated.

Respectfully submitted,

/s/ *Stephen Turano*
